**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose this petition because my service would be impacted. I would like more competition in my market, and there isn't much.

Broadband is critical to my business since I am self-employed. I have had to wait extra time before I could help customers because I had to wait for new software to download (special builds with bugfixes to test). In Germany I could download this software in two minutes. In this country it takes me at least 20 minutes. This is lost time and money.
